Brownie Handbook

Badge: Celebrating Community (3/5 steps)

Step 1 – Explore Community Symbols
• Look around the Star Spangled Center for all the American flags, five pointed stars, and eagles that you can find.

Step 2 – Sing Together
• Sing patriotic karaoke in the Legislative Branch of the Star Spangled Center. What do these songs mean? Why are these songs great for America? Which songs do you like the best? (Use your Brownie Handbook to understand the Star Spangled Banner)

Step 4 – Be a Landmark Detective
• Use the paper in the Legislative Branch to find symbols of the national landmarks in the Star Spangled Center. After you find them, stamp your paper and read about what makes them each unique and important and finish by stamping that you have found the landmark.

Badge: Painting (5/5 steps)

Step 1 – Get Inspired
• Visit the Art Studio in the STEAM Center and look at the artwork. What do you like about them?

Step 2 – Paint the real world
• Use the paints in the Art Studio to paint something you see in the real world like a portrait or nature.

Step 3 – Paint a mood
• Use the paints in the Art Studio to paint your feelings. How can you use shapes and colors to express the way you feel?

Step 4 – Paint without brushes
• Find inspiration around the Art Studio and Make It Workshop to prototype a brush. Can you use yarn or make a stamp for your painting?

Step 5 – Paint a mural
• A mural is a painting that tells a story. Can you paint a mural in the Art Studio to convey a story?
Badge: Brownie Girl Scout Way (1/5 steps)

Step 4 – Leave a Place Better Than You Found It
- The Magic House is a very busy place, so be sure to keep the Museum nice and clean for others by cleaning up when you are finished playing. Leave the place better than you found it!

Badge: Meet My Customers (1/5 steps)

Step 3 – Practicing handling money and making change
- Visit the Market or Bank in the Children’s Village to make change and handle pretend money. Can you give the correct change back?

Badge: Senses (1/5 steps)

Step 3 – Put your nose to work
- Go up to the Second Level to the Five Senses room. Smell the different scents in the containers in the middle of the room. Can you guess them all correctly? Which ones did you get wrong? Did other Brownies get them right?

Badge: Inventor (1/5 steps)

Step 1 – Warm up your inventor mind
- Visit the Recycle It area in the Make it Workshop. Use a recycled box to create a new use for the box.
