

The Magic House Proudly Presents ***Magic at Home!***

Make-Your-Own Bubble Solution and Bubble Window

Materials Required:

- 2 1/2 cups cold water
- 1/4 cup Dawn dish soap
- 2 straws
- Yarn or string

Instructions:

Bubble Solution:

- Pour water into a large bowl. Gently stir in the dish soap.

Bubble Window:

- String about two or three feet of yarn through the straws and tie the ends together to make a loop.
- Put a straw in each hand and pull taut so that you have a rectangle with the straws on either end.
- Dunk into a cookie sheet covered with about an inch of bubble solution then lift carefully and you will have a bubble window.
- Take a deep breath and blow as you watch your bubble window turn into a giant bubble.
