

The Magic House Proudly Presents  
***Magic at Home!***

## Nature Portraits

***Materials Required:***

- Any natural materials gathered while on a walk.

Examples: grass, leaves, rocks, flowers, seeds etc.

***Instructions:***

1. Take a hike or a walk in your neighborhood.
2. Keep your eyes peeled for amazing things such as flowers, leaves, grasses, sticks and rocks and collect them in a bag.
3. Organize your findings by texture, color and shape.
4. On a smooth surface (black or white works best for contrast) arrange your items in the shape of a face
