

The Magic House Proudly Presents
Magic at Home!

Static Electricity

Materials Required:

- Balloon

Instructions:

1. Blow up a balloon and tie it closed.
2. Rub the blown-up balloon back and forth on top of your head. Gently lift the balloon above your head.

Extend your play

- Rip up tiny pieces of paper, and put them in a shallow bowl.
- Rub the balloon on your head again.
- Hold the balloon over the bowl and see what happens!
